

## “Christmas Card Contacts” Instructions

Everyone loves getting Christmas cards in their mailbox. But ~~even with the~~ in this technology-filled world ~~age~~, you rarely have your family’s and close friends’ correct addresses. Did you know that a person in the United States is expected to move an average of 11.4 times in their lifetime? ~~It helps to have~~ What you need is an app ~~to that~~ keeps you organized and ~~keep~~ your address book up-to-date. Christmas Card Contacts is the perfect app for:

- Gathering the correct addresses (simply text, post, or email a private link to your family and friends).
- Creating mailing address labels. ~~(For those of us not blessed with gorgeous handwriting).~~
- Tracking who you have sent/received Christmas cards to/from. ~~for~~ (current and past years (you don’t want to forget anyone).)

Christmas ~~eCard~~ eContacts is safe, secure and private. ~~Your family and friends~~ The contact information you store is kept private. ~~There is no need for them to post their address on social media platforms.~~ Addresses are not stored on a webpage for robots, search engines, or hackers to get to. And we never share your data, so you’ll never get ~~is never shared and there is no~~ SPAM email from using our app. Plus, your contacts won’t need to post their addresses on social media platforms!

The app is fairly self-explanatory, but here is an overview of the various screens from the homepage.

### Invite Friends

~~this is the page~~ This page is where you’ll copy your personal link to the app. Click the copy button, and then paste your link into a text, email, or social media post. Example ~~M~~message: I’ve got something fun to send you! Please use this link to ~~place-add~~ your address ~~in-to~~ my Christmas Card Contact app.

### Update Contact Data

This is where you can update your own contact information. Ready for some good news? ~~The good news is w~~ hen you update your address, your new address will automatically appear in all of your family’s and friends’ Christmas Card Contacts address books. ~~There is~~ Now you won’t have to ~~no need to~~ send everyone your new address manually. ~~Plus,~~ The same thing happens when your friends and family update their addresses → their new addresses will show up in your address book automatically.

### Address Book

~~This is where you see a~~ All your contact ~~the~~ addresses live here. In this section ~~y~~ou can:

- Manually add an address by clicking the + button.

- See more information such as their phone number and email.
- Call, text, or email directly from the screen.
- Open the address in Google maps and get directions to their address for this year's Christmas Party (or caroling, if you're the musical type).

## Tracking

Let's face it. It's easy to run out of stamps, Christmas cards, return labels, or even forget about "Dear Aunt Betty," who always sends you a check in her Christmas card. [The Christmas Card Contacts app helps to have-gives you](#) an easy way to mark off who you have sent cards to [so you don't miss anyone](#). [Since it's nice to receive cards, too, is nice to be able to our app also lets you](#) see who you've received cards from [this year and the previous years](#). Christmas Card Contacts lets you easily view all your addresses [and for easy](#) tracking year after year.

## Print

This is where you can print off mailing labels. You can choose from the most popular [2 or 3 column](#) formats [\(with either 2 or 3 columns\)](#) on letter or A4 paper size. [Easy as a Christmas pie!](#)

## Change Password

~~This is where you can change~~ [Keep your account secure by changing](#) your password. ~~It is~~ [This process is](#) fairly self-explanatory. You will need [to know](#) your current password before you can change to ~~the a~~ new password. If you have forgotten your password, ~~you can simply~~ [logout](#) to get to the home screen where you can let us know that you forgot your password. A special link will be sent to the email registered with your account.

## Sync Request

If you entered a person's address manually, and they join Christmas Card Contacts, you can choose to sync your manual address to the contact information they have. ~~When~~ [If](#) they change their address, [then](#) your book will be updated [automatically](#). If you have any addresses that need [to be](#) synced, they will show up here.

## Logout

~~This is where you can logout~~ [Done making changes or finished printing your labels?](#) Use the [logout function to keep your account secure](#). If your phone is not password protected, [for security reasons](#) we suggest logging out every time [you finish using the app for security reasons](#).

## BONUS

If you lose your phone or get a new one, ~~you just all you~~ need to do is login to the app to get to all your friends' and family's contact information. While we don't recommend it, you can ~~can~~ could even login on a friend's phone to get to all your information in a pinch. Pretty ~~C~~cool, right?
